

NEWS ITEMS for June 4th, 2022

- The Amateur Radio Newline net is presented weekly on Wednesdays at 7:00pm on the 146.700 W9IRA repeater with no PL tone. A recap of content can be found at <https://www.arnewline.org/>. <break for more>
 - The Indy Radio Club invites you to join the Welcome Net, meeting every Wednesday night at 8:00 pm local time on the W9WIN linked repeater system (444.325, 136.5 tone in Indianapolis). The Welcome Net is designed for new hams to get over "mic fright", but all hams are welcome to check in. The Welcome net is a good place for new hams to talk about where they are in the hobby, and get input from elmers as needed. If you need more info, send a message to eelmer@indyradioclub.org. <break for more>
 - The Marion County ARES Net meets every Wednesday evening at 7:30 PM on the 146.700 W9IRA repeater, with no PL tone. The use of this repeater is courtesy of the Indianapolis Repeater Association. This is an open net and all amateurs are welcome, please remember it is a directed net and all traffic should be routed through net control. Please see <http://www.mcinares.org/> for more net info. <break for more>
 - The Hendricks County weekly ARES net is held at 7:30pm every Tuesday on the N9HC 147.015 repeater (w/PL tone 88.5). <break for more>
